Sydney Harbour Hike – Terms & Conditions and Participant Waiver

By registering for the Sydney Harbour Hike (“Event”) the participant or the parent/guardian of a participant under 18 (“you/yours”), acknowledge and agree that you are entering into an agreement with the organiser, The Fred Hollows Foundation (ACN 070 556 642) (“The Foundation”), of Sydney Harbour Hike (“Event”), and agree to be bound by these Terms and Conditions.

Sydney Harbour Hike involves walking, hiking or running approximately 34km within 12 hours and includes a fundraising component to help fight avoidable blindness supporting the work of The Fred Hollows Foundation. Participants may want to seek professional advice from a medical practitioner before signing up and participant in this hiking challenge.

Any participant under the age of 18 must have a parent/guardian listed on the website and tick the box confirming their acceptance of these terms and conditions on behalf of the participant.

Note: Children under 16 years of age are not permitted to register for the Event.

A) Entry Fees

- To participate in the Sydney Harbour Hike your entry fee for VIP is \$50, Early Bird \$70 and General Admission is \$90 (incl GST). Children under 18 years participate free of charge but must be registered. All registration fees are non-refundable. Entry fees are not a donation to The Fred Hollows Foundation and are not tax-deductible.
- Your registration fee helps cover the costs of running this event. This includes insurance, logistics, signage, traffic management, toilets, first-aid, security, your bib number, finisher medal, timing and more.
- We encourage everyone to make their walk count by fundraising for The Foundation. As little as \$25 can help restore sight to a needlessly blind person and all donations over \$2 are tax-deductible for Australian taxpayers.

B) Cancellation or Postponement

- You understand and acknowledge that The Foundation or Sydney Harbour Hike may be required to change the format or other logistical elements of the Event if the venue, police or other relevant authority directs it to do so, or if The Foundation deems that for reasons of safety the Event should be so changed.
- You agree that if The Foundation cancels the Event due to circumstances beyond its control, including but not limited to storms, high winds, epidemics or pandemics (e.g. CV-19), or unavailability of the venue for whatever reason, refund of your registration fee is at the discretion of The Foundation.
- You understand that The Foundation reserves the right to refuse a potential participant’s registration or cancel a participant’s registration for any reason whatsoever. Such reasons may include not following reasonable direction of Event officials or not abiding by the Event guidelines as outlined on this website.
- You understand that if you withdraw from the Event at any time including on the day of the Event, no refund of your registration fee is available except in limited circumstances approved by The Foundation..

- You understand that you may transfer your registration to another person at any time prior to the Event Day, using the official transfer form. All financial arrangements related to such a transfer are to be managed solely by you and the person to whom you are transferring the registration. You agree to advise The Foundation of the details of any transfer of registration as soon as possible.
- You understand that you may NOT give your participant bib to another walker, without completing and submitting the official transfer form. This is particularly important due to emergency contact and medical history information that could affect any required treatment and for the safety of all other participants. Should someone other than the registered walker wear their allocated bib, that participant will forfeit any claim to insurance cover and prizes. Guidelines on transfer of registrations can be found on the Event Info page.
